

Hiram Arturo González Castro

Currículum Vitae

Address: Poás, Alajuela, Costa Rica.
Phone: +506 8422 0599
Email: mrhiram1@gmail.com
Github: <https://github.com/MrHiram>
Date of birth: July, 28th, 1997

I'm a proactive person who loves challenges and self improvement.
I consider myself a quick learner with good performance under pressure.
Teamwork and assertive communication fit really well with me.

Experience

University of Costa Rica — Assistant

2020 - Present

I'm currently developing the official website for Computing and Multimedia Technology career as part of the University's domain. Using wordpress as CMS, gulp for sass compiling and JSX for plugin development.

Projects

Barbería Clandestina — Developer

January, 2020

I was in charge of developing the front end, creating a custom wordpress theme.
And a system for clients to schedule appointments.

<https://barberiaclandestina.com/>

Gusticos Lomel — Developer

December 2019

I developed the front end with tools such as HTML5 and SCSS
